

2026 Sahuarita/Green Valley 49ers Youth Football & Cheer Sponsorship

Attention community businesses and major corporations! The Sahuarita/Green Valley 49ers Football & Cheer Organization is on a special quest! These youth athletes, ages 5-14 are on an excelling track to compete in this cheer and football season. Their hard work and dedication will make this season an exciting one to watch and will also bring exciting opportunities. These opportunities do not just come with their hard work and dedication alone, but with the support of our community, surrounding businesses and outside corporations. We would like to extend an invitation to you and your company to be a part of this special 2026 football and cheer journey.

The most important steps in the planning process for a successful season are obtaining local and corporate sponsorships from businesses and organizations. These valuable and appreciated donations help offset some of the cost associated with Sahuarita/Green Valley 49ers football and cheer events. We are looking for sponsors who are willing to donate and assist in covering our major expenses such as: field maintenance, additional lighting, playoffs, cheer competitions, equipment, uniforms, league fees, trophies and administrative costs. Sponsorships with Sahuarita/Green Valley 49ers is a unique partnering opportunity for businesses and corporations.

If providing sponsorship for the Sahuarita/Green Valley 49ers is an option for you and your company, please take some time to review the sponsorship information included. Please complete this sheet so that your donation can be credited to the Sahuarita/Green Valley 49ers Association or a specific team you would like to sponsor. Please contact us with any questions you may have. (See page 2 for explanation of sponsorship levels).

I am confident you will find sponsoring these hard-working youth athletes rewarding by the benefits and experiences they will gain with your generous contribution.

Sincerely,

Robby DeLancey
Sahuarita/Green Valley 49ers President
